Havine attended the Lectures in the Literaty and Scientific Departments of the University of Virginia; obtained the degree of Bachelor of Aris, and been several years engaged in teaching. I flatter myself with the hope that I will be able to give general satisfaction in the different branches which I profess to teach. As regards qualifications, meral character, and standing, I can refer to the Professors of the University, and the clinens of Charlotteville, Va., from whom I have ample testimonials.

The second in distinctness and brilliancy of vision any I have ever used. The principle of a focus arcommodated to every motion of the eye, is invaluable, as it prevents failing to the organ, and does not impair vision. The beautiful transparency of the glass, with its great hardness, gives a durability which is invaluable to there having a constant demand for them.

These improvements are recommendations for their use highly meriting public patronage.

Very respectfully, your obedient servant, of the University, and to the citizens of Charlotteville, Va., from whom I have ample testimonials.
